Thank you for taking the time to write to me. Feedback from the people we represent is always extremely valuable for members of parliament.

To help me manage the large volume of important emails I receive every day, there has been a small change to the way in which I receive your mail. This email address is no longer in use, however emails can be submitted via one of my contact forms below.

As you will appreciate, given the volume of correspondence received, a reply cannot be sent immediately, nor a reply sent to every email received.

#### **Kooyong Electorate Constituent correspondence**

Feedback from constituents is extremely valuable and responding to constituents is my priority. If you are a Kooyong constituent, please resubmit your email via my website [here](#) and my electorate office team in Camberwell will be in touch.

#### **Non constituent correspondence**

If you live outside the electorate of Kooyong and you are writing to me in my capacity as the Minister for the Environment and Energy, please resubmit your email via this [contact form](#)

#### **Invitations and Meeting requests**

If you would like to invite me to an event or have a meeting request, please forward your request to [ministerfrydenberg.invitations@environment.gov.au](mailto:ministerfrydenberg.invitations@environment.gov.au)

Thank you again for taking the time to contact me.
