[Auto Response Signature\_UPDATED\_Page\_1]

Thank you for your email.

Your views, concerns and enquiries are important to me as they help me to better represent the electorate of Maranoa and I thank you for taking the time to write to me.

I receive a large number of emails each day and this is how I manage them:

Please note: To receive a personal response to your email, I will need your full name and residential address.

1. If you are a resident in the Maranoa electorate and your issue is urgent, please contact your nearest electorate office at my Dalby office on (07) 4662 2715, Warwick office on (07) 4661 2494 or my Roma office on (07) 4622 7166 between 9am and 5pm, Monday to Friday.

Please note urgent matters should not be sent by email only, please phone my office for assistance.

2. If you are a resident in the electorate of Maranoa and you have a general enquiry or an enquiry relating to a specific issue, I will endeavour to provide you with a response shortly. Please be aware the time it takes my office to respond is dependent on not only my parliamentary and electorate commitments, but also may be impacted by the time it takes relevant third parties to provide information on your enquiry. If your matter becomes urgent, and you have not yet received a response, please contact my office as soon as possible.

3. If you are contacting me as the Federal Minister for Agriculture and Water Resources and are not a resident in Maranoa, please email [minister@agriculture.gov.au](mailto:minister@agriculture.gov.au)<<mailto:minister@agriculture.gov.au>> or phone my office in Parliament House on (02) 6277 7630.

4. If your email is part of an automated mass-email campaign I will

certainly note your views however, I am unable to respond directly due to the large amount received.

Thank you again for taking the time to contact me.

Best wishes,
