Thank you for your email.

Your views are important to me and I appreciate the time you have taken to contact me.

As the Federal Member for Pearce, it's an honour to serve the local community in our national Parliament. I receive a large volume of correspondence and wait times for a response can vary depending on your particular concerns. Please ensure you have included your full name and contact details so that I am able to assist you as I prioritise emails from residents in Pearce. If you are emailing through a generic campaign then I will certainly note your views.

If your correspondence relates to my role as the Attorney-General, please contact me via email [here](#).

To find out more about how I'm putting Pearce first and what's happening in our local community, follow me on [Facebook](#) and visit my [website](#) to sign up to my e-newsletter.

Kind regards
